Essen, 17th December 2014. More than 1,250 exhibitors from more than 30 nations have already booked their presentation spaces at the 27th TECHNO-CLASSICA ESSEN 2015 now. Nearly all exhibitor spaces in the 20 halls and at the four open spaces are reserved about four months before the start of the classic fair. The TECHNO-CLASSICA ESSEN 2015 will also in the next year be more than only the "World fair for vintage-, classic & prestige cars, motor sport, motorcycles, spare parts and restoration and world-club meeting" as its subheading describes. With more than 220 exhibiting classic clubs and communities of interest it is again the greatest club meeting of the world of the vintage-cars and young-timer scene. And the mostly lavish orchestrated presentations of more than 25 German and international automobile manufacturer make the TECHNO-CLASSICA in the next year again to the greatest history show of the car industry world-wide too.

With their presence the car manufacturers demonstrate which importance they attribute to the presentation of their history to the international audience of the TECHNO-CLASSICA. Some companies already have announced first information concerning their appearance – here in alphabetical order:

- With the slogan “Roadster and Cabriolet“ **Audi** presents fascinating classic cars under the sign off the four rings.
- The **Autostadt** celebrates not only “15 years Autostadt“, but shows interesting car-pairs with the slogan “Relationship crates”.
- **Bentley** plans to celebrate the 85th anniversary of the legendary Bentley Speed Six “Blue Train“.
- **Bugatti**: looks back on 10 years Bugatti Veyron.
- **Ford** celebrates the anniversary “50 years Ford Transit“ with 15 Ford-clubs and shows trade- and application vehicles of the brand. And due to the anniversary “50 years Ford GT 40“ the Ford GT 40-friends Germany are represented with two exhibits at the stand for the first time.
- **Opel** plans to display the key topic “Design“ in combination with the 50-years anniversary of the first Opel concept vehicle, the Opel Experimental GT.
- **Porsche** presents itself with the slogan 30 years Porsche 959.
- **Rolls-Royce** celebrates 90 years Phantom – and shows one historical and one modern exhibit of the legendary luxury model of the brand.
- **Škoda** reminds of the company foundation 120 years ago, celebrates 110 years car manufacture and points out to 40 years Skoda RS.
- **SEAT** shows “special prototypes for VIPs“, as the “SEAT 1400 Visitas“ and the “600 Savio“ with detachable roof – vehicles which still never could be seen at a fair in Germany.
- **Volkswagen Classic**, the history field of Volkswagen, exhibits for the anniversary “40 years Volkswagen Polo“ six particular time witnesses, as for example the Polo WRC.
- **Volkswagen Nutzfahrzeuge (trade vehicles)** vintage cars deals with the subject 30 years Syncro, shows the T3-Tristar and a restoration object.

In the centre of the TECHNO-CLASSICA ESSEN, in hall 6, the organiser S.I.H.A. presents a fascinating special exhibition with rare and spectacular racing cars, which have one common feature: They all started at the end of the 1920ies at the legendary Tourist Trophy in Ireland – an automobile road race, which even was hold from 1905 until 1936 and ranked to the sports car world championship at times. Probably ten racing car classics of the brands Alfa Romeo, Alvis, Austin, Bentley, Bugatti, Mercedes-Benz, OM and Riley bring the fascination of this spectacular race into the Essen exhibition halls.

In its existence of more than 25 years the TECHNO-CLASSICA has become to the most important meeting place and greatest market of the international classic-scene: More than 2,500 classic-, collector- and connoisseur-vehicles, young-timer and prestige-automobiles are for sale. In the meantime the specialist dealers – as well as also the more than 190,000 visitors – do not come from whole Europe, but also from overseas. So, among others, exhibitors from North- and South-America and even China present their range.

Furthermore are so many restorers, suppliers, suppliers of car literature, spare part dealers, accessories sellers, clock- and technology dealers, artists and art dealers, and not at least model car suppliers are present at the TECHNO-CLASSICA as at no other classic show worldwide. At the five-day fair one can see everything, really everything, around vintage cars and young-timers. So the classic-scene meets again at the TECHNO-CLASSICA ESSEN from 15th until 19th April 2015.
